*Time it was,  
And what a time it was,*

*It was . . .*

*A time of innocence,*

*A time of confidences.*

*Long ago . . .  
It must be . . .*

*I have a photograph.*

Dear Lisa,  
 There are  
 so many things  
 to say that I can't  
 be expressed on a piece of  
 paper always remember the  
 great times & all the long talks  
 we had in our many years of sym-  
 posia. (especially in the last sym-  
 posia) I hope you  
 never forget me  
 Take care of yourself and keep me  
 in mind  
 (Will say)  
 up in town  
 and work in  
 college  
 Memories ... Nostalgia

*Friends ....*

*Our chief want in life  
is to find someone  
Who will help us to  
Find ourselves  
Emerson*

*If we only have love  
Then tomorrow will dawn  
And the days of our years  
Will rise on that morn.*

*If we only have love  
To embrace without fears  
We will kiss with our eyes  
We will kiss without tears*

*If we only have love  
With our arms open wide  
Then the young and the old  
Will stand at our side.*

*If we only have love  
Love that's falling like rain  
Then the parched desert earth  
Will grow green again.*

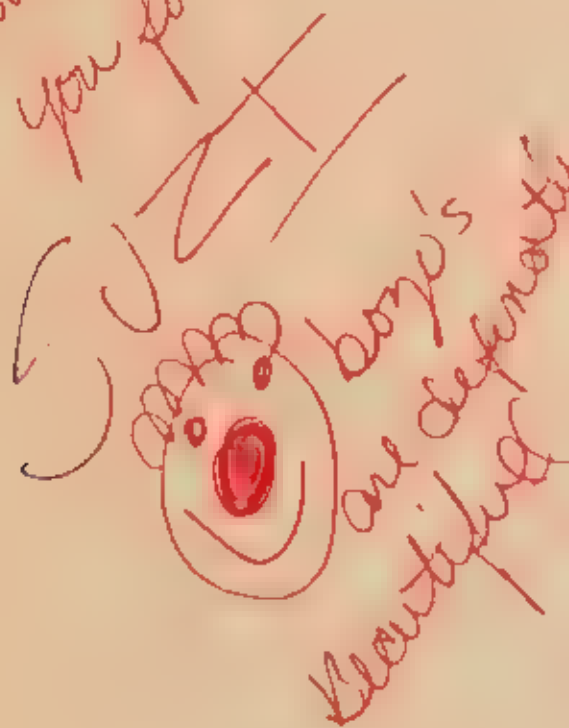

*If we only have love  
For the hymn that we shout  
For the song that we sing  
Then we'll have a way out.*

*If we only have love  
We can reach those in pain  
We can heal all our wounds  
We can use our own names.*

15A,  
If we only have love  
we have love. and I'll never  
ever forget you. how can I  
in a you book its just not  
I can say is I love you  
change. I know I  
Remember me but  
I don't know what

write it  
at me all  
and never  
don't have to say  
Remember me  
at to write I have  
Somebody when I have  
how to drive I'll take  
you for a ride

If we only have love  
We can melt all the guns  
And then give the new world  
To our daughters and sons.

If we only have love  
Then Jerusalem stands  
And then death has no shadow  
There are no foreign lands.

If we only have love  
We will never bow down  
We'll be tall as the pines  
Neither heroes nor clowns.

If we only have love  
Then we'll only be men  
And we'll drink from the Grail  
To be born once again.

Then with nothing at all  
But the little we are  
We'll have conquered all time  
All space, the sun and sky.

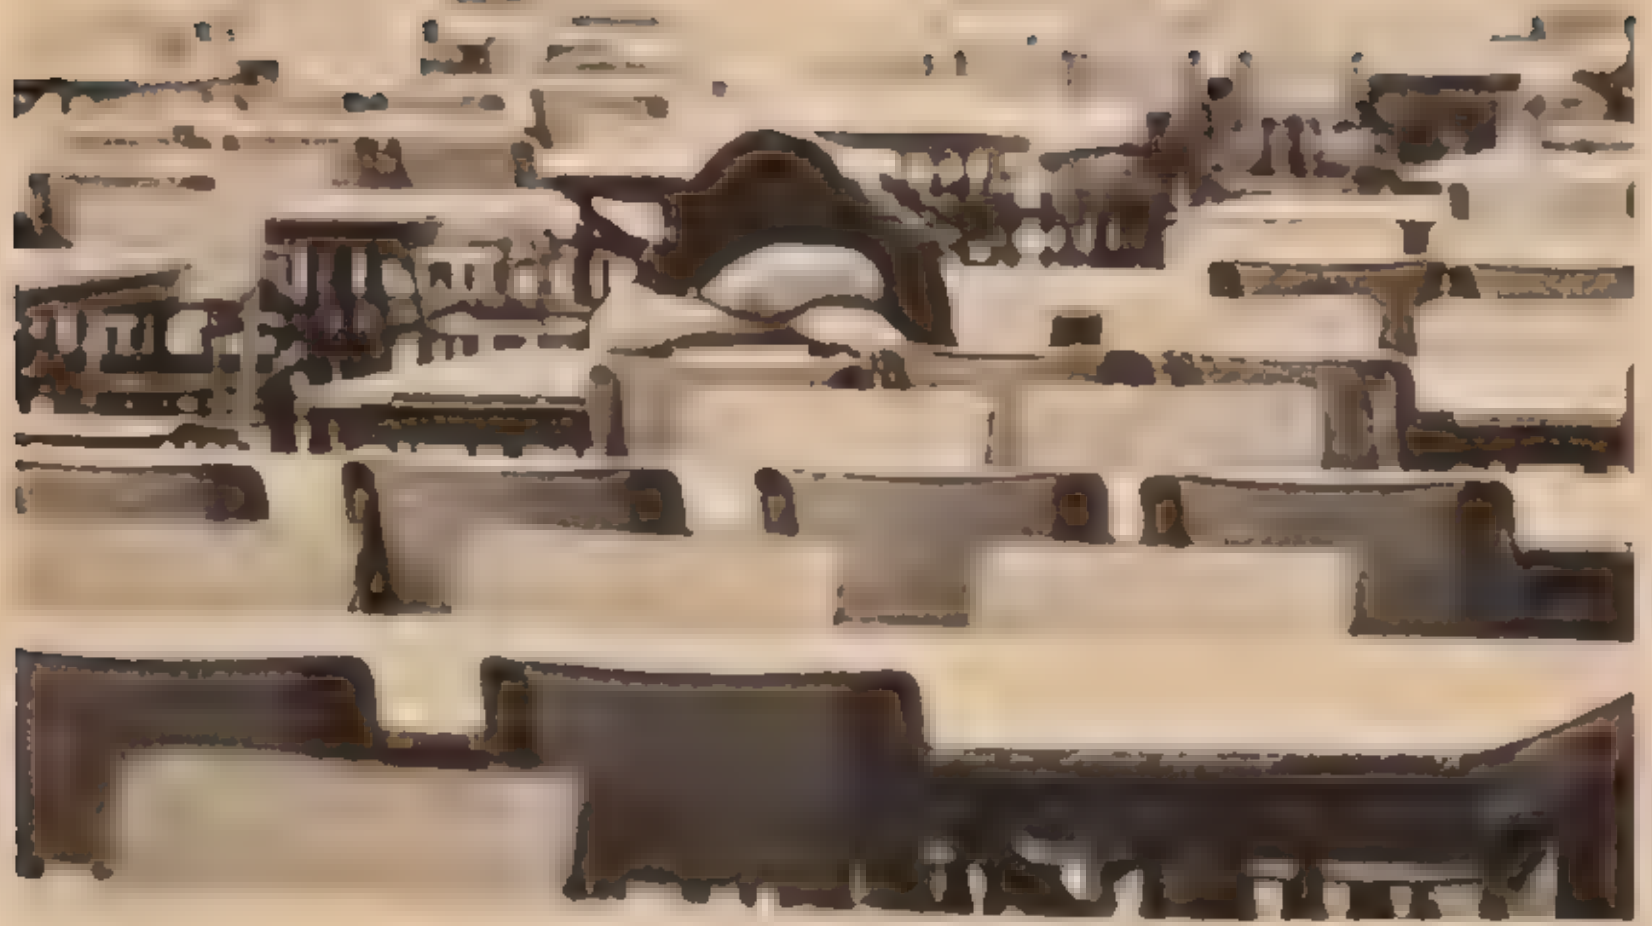

We'll soon remember  
When all things were tall  
And our friends were small  
And the world was new  
Cat Stevens

We'll soon remember  
When all things were tall  
And our friends were small  
And the world was new  
Cat Stevens

LISA-  
STILL ROUND THE CORNER THERE MAY WAIT  
A NEW ROAD OR A SECRET GATE,  
AND THOUGH I ~~OST~~ HAVE PASSED THEM BY,  
A DAY WILL COME AT LAST WHEN I  
SHALL TAKE THE HIDDEN PATHS THAT RUN  
WEST OF THE MOON, EAST OF THE SUN.

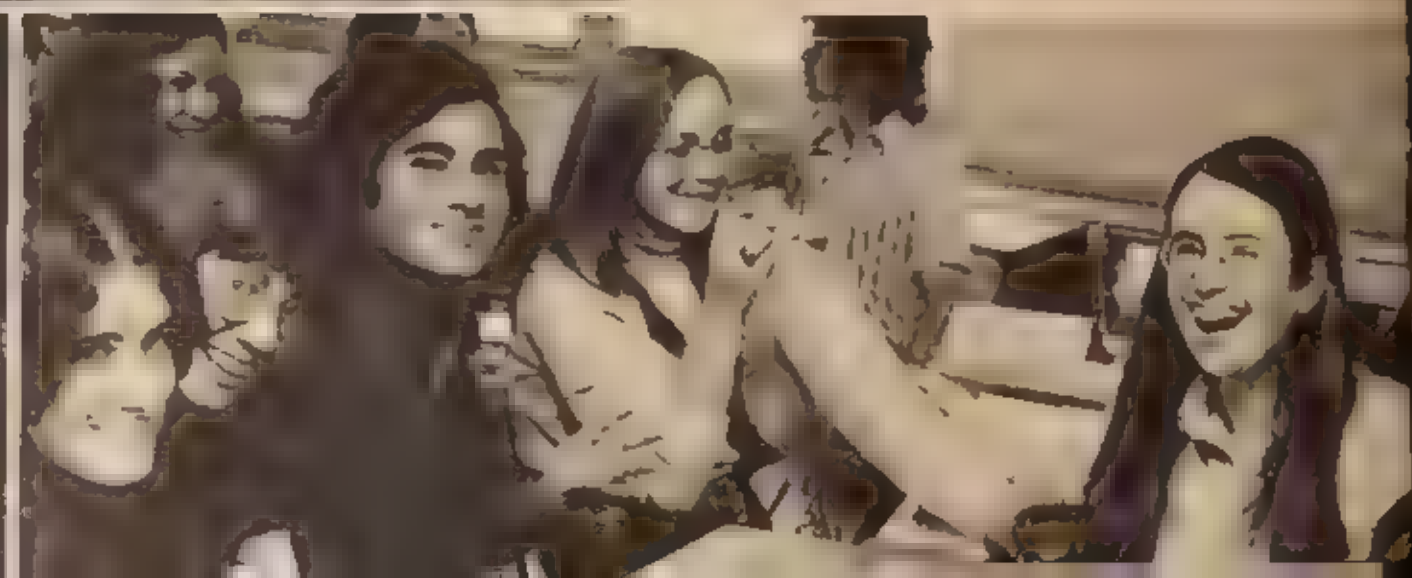

LOVE ALWAYS ∞  
FRANK

Dear LISA, IN PEACE  
LIVING ~~LIFE~~ AND ENJOYING HAPPINESS  
AS I ~~HAVE~~ WITH YOU HAS TOTALLY SPOILED ME.  
I CAN NEVER SETTLE FOR LESS! OUR LOVE WILL  
REMAIN STRONG WHEREVER WE ARE AND  
OUR HAPPINESS WILL BE A GOAL TO  
SURPASS (if possible!)

When you're weary,  
Feeling small,  
When tears are in your eyes,  
I'll dry them all  
I'm on your side —  
Paul Simon

LOVE  
Frank

What about you?  
What about me?  
Two years from now, where will we be?  
Each of us gone our separate ways  
Lost, in the headlong passage of days  
Maybe we might give love a try  
Extending the minutes before goodbye  
And for a gentle moment in time  
We'll take . . . what pleasure people can find  
Are you afraid?  
I'm not afraid

Rod McKuen

DEAR LISA,

TO THE LOVE OF MY  
LIFE, THANK YOU FOR  
MANY HOURS OF  
BULL SHITTING IN T. SOPKO'S  
GOOD LUCK IN THE PRESENT  
AND FUTURE.

LOVE,

DAVE

Dear Lisa,  
I'd have to know  
you long. From nursery  
school we remained in  
you know there is always  
a certain space in your  
heart for old friends. I really  
wish you happiness & could forget  
luck & the way I forgot my  
The only happiness I  
you was if I  
child hood, which is doubtful  
I really love  
PS Keep in touch

LISA,

I TRULY ENJOYED  
HAVING YOU AS A STUDENT  
AND HOPE THAT YOU  
ONE DAY RETURN TO  
I'M SURE YOU WILL  
WITH YOU AT THAT  
THE SAME WONDERFUL  
YOU ARE TODAY.

R. J.

Dear Lisa,

Always remember Sopko, Jeranek, Sheedy - all  
those wonderful teachers we had. You're one of  
the nicest people I've known. Stay that way.  
You've been a good friend these past 3 years.  
Be good and take care of yourself.

Love  
Gail
